

COB STRIP LED

Code
Lighting technology used:
Light source cap-type (or other electric interface):
Colour-tuneable light source (CTLS):
Anti-glare shield:
Chromaticity coordinates (x and y)
Energy consumption (kWh/1000 h)
R9 colour rendering index value
Useful luminous flux (Φ_{use})
Correlated colour temperature K

Total mains efficacy η_{TM} [lm/W]
Energy efficiency class ==>
Energy consumption in on- mode (kWh/1000 h), rounded up to the nearest integer
